4. Goals and Principles

From its inception, the goal of Sonship Bible College has been to make the Word of God available to as many people as possible. Therefore, SBC offers a thorough, in-depth study of the Word of God that will promote spiritual growth and the building up of the church of Jesus Christ without intimidating anyone with rigid scholastic standards.

The innovation of presenting courses in a trimester credit format, is in keeping with SBC goals. The introduction of this new format within a trimester affords a study option designed to enhance the student's program.

We believe we have a program that will meet your need, whether it is simply to know more about the Word of God in order to be a better prepared lay minister or to obtain a degree that will prepare you for the ministry to which God has called you in a full-time capacity. There are four different programs offered at SBC, outlined more fully in the Curriculum section of this catalog. It is to your advantage to study them carefully to determine which program best suits your needs.

SBC seeks to instill in each student the importance of studying and examining the Word of God. Only by allowing the Word of God to examine our lives will we truly become the person God intends for us to be and to be prepared for the purposes of God in our lives. We are assured by the promise of God's Word that if we can instill the students a love for God's Word so that they present themselves as living sacrifices in study, in prayer, and in honesty before God, they will be transformed by the Word of God and will prove what is that good, acceptable, and perfect will of God for their lives.

Sonship Bible College feels a definite call of God to provide a school conducive to the ministry of the Holy Spirit, our most important Teacher. We recognize that only the Holy Spirit can reveal to us the mind of God. We count it a privilege to be involved in the teaching of God's Word.

These are the principles we live by and the goals we are aiming for. If you choose to attend SBC, our prayer is that we reach the high calling of God in Christ Jesus together. God bless you as you seek to serve Christ.

6. Spiritual Life and Admission Procedures

6.1. Spiritual Life

The spiritual life of the student can be enhanced greatly by taking advantage of the many ministries and outreaches available through the local church.

Sonship Bible College also sponsors and supports various outreach ministries in the community. Local students enrolled at SBC are encouraged to take advantage of these opportunities.

6.2. Entrance Requirements

The only entrance requirement at SBC is that students seeking a degree be able to read and write well enough to complete homework assignments. There cannot be a set standard in this area since it depends upon the willingness of the student to discipline himself/herself in study habits. Therefore, it remains a judgment by the Administration with the best interests of the student in mind.

6.3. Registration

Registration forms for enrollment at SBC are available at the school office, or may be obtained on SBC's website. Address your request to: Sonship Bible College, 1430 South New Hope Road, Raleigh, North Carolina 27610, or call 919-231-0900. Fax: 919-231-0970. Email: sonshipbiblecollege@agapeword.net.

For every student, there will be adjustments to make during their Bible training on the college level. Any student who so desires may receive counseling from the Administration or faculty. An appointment may be made by contacting the school office. The ministry of the school is to serve you, so that you might serve Christ better.

7. Tuition

Tuition must be paid in full at the time of registration in order to be valid.

Need-based tuition assistance and academic performance scholarships are available subject to approval by the Administration.

8. Refunds

A student, who enrolls in SBC but is unable to attend courses and withdraws under the proper procedures with the registrar, will be refunded all moneys except for a \$10.00 handling fee.
